5.2.2 "Existing Equity Linked Investments Customers" refers to Customers who have subscribed any Equity Linked Investments through Branches of the Bank during the period from 1st January 2022 to 30th June 2022 (both dates inclusive).

5.3 "Selected Currency Linked Investments Customers" Privileges

5.3.1 "Selected Currency Linked Investments Customers" who successfully subscribe Deposit EXTRA with tenor of one or two weeks through Internet Banking or Mobile Banking of the Bank or through Branches of the Bank during the Promotion Period, will be entitled to Extra Interest Rate Reward of HKD100 for every HKD200,000 or equivalent accumulated investment amount. There is no maximum limit on the Extra Interest Rate Reward.

5.3.2 "Selected Currency Linked Investments Customers" refers to Customers who have not subscribed any Deposit EXTRA through the bank during the period from 1st January 2022 to 30th June 2022 (both dates inclusive). Customers who have made any Deposit EXTRA-transaction during the mentioned period, shall not be "Selected Currency Linked Investments Customers".

5.4 The transaction amount will be calculated in HKD. If the subscription transaction is in a currency other than HKD, the relevant transaction amount will be converted to its equivalent value in HKD using the exchange rates stated in Clause 14 of the "General Terms And Conditions" to calculate the Extra Interest Rate Reward. The Bank reserves the rights to amend the exchange rates without prior notice.

5.5 The Extra Interest Rate Reward amount in HKD will be deposited to the settlement accounts of the Eligible Customers of Linked Investments Subscription Privileges on or before 31st December 2022. The relevant Linked Investments Account and the settlement account must still be valid when the Extra Interest Rate Reward is credited, otherwise the privilege(s) will be forfeited.

(2) Securities Services Welcome Offer

1. The offer is only applicable to personal customers who fulfilled all the two requirements below ("Eligible Customers"):
 - 1.1 Open a "New Securities Account"; and
 - 1.2 Choose to receive Securities e-Statements and abandon to receive physical statements during the Promotion Period.
2. Eligible Customers, who use the "New Securities Account" to complete BUY executed transactions of Hong Kong Dollar ("HKD") or RMB securities listed in Hong Kong Exchange and Clearing Limited ("HKEx"), Shanghai Stock Exchange ("SSE") or Shenzhen Stock Exchange ("SZSE") via "Online Trading Channels" of the Bank for the first 6 months (183 calendar days) from the Account Opening Date, can enjoy the rebate in the full amount of the brokerage commission for such transactions (IPO subscription and Monthly Saving Investment Plan transactions are not applicable), with the maximum cumulative rebate amount of HKD 10,000 equivalent.
3. Eligible Customers, who subscribe IPOs via our Online Trading Channels for the first 6 months (183 calendar days) from the Account Opening Date, can enjoy the rebate of IPO subscription fees for such subscriptions, with the maximum cumulative rebate amount of HKD 10,000 equivalent.
4. "New Securities Account" means the account holder does not maintain any Securities Account in the Bank (no matter the account was held by same sole name, joint names or corporate names) during 365 days preceding the opening of the account.
5. "Online Trading Channels" of the Bank include "BOCOM(HK) Securities Mobile Application" and Internet Banking Services. Eligible Customers can amend the placed securities trading orders via different channels, but the transactions must be executed via "Online Trading Channel" in order to enjoy the offer.
6. The brokerage commission/IPO subscription fee settled in RMB will be converted into HKD at the exchange rate determined from time to time by the Bank. The brokerage commission/IPO subscription fees will be deducted upfront according to "Charges of Securities Trading Services" of the Bank. The rebate will be credited to the "New Securities Account" on or before 30th April 2023. The rebate amount will be based on the actual amount of brokerage commission/IPO subscription fees paid by the customers. The Eligible Customers, however, still have to pay other fees, which include but not limited to Stamp Duties, Transfer Fees, SFC Transaction Levy, HKEx Trading Fee, FRC Transaction Levy, CSRC Securities Management Fee and PRC Stock Exchange Handling Fee collected by third parties.
7. Eligible Customers must still maintain the "New Securities Account" at the time of rebate. If the Eligible Customers select to receive physical copies of Securities Statement on or prior to the date of rebate, the Bank will cancel the Customers' eligibility to receive the rebate without replenishment.
8. "Combined Transaction" only acts as ONE executed transaction. "Combined Transaction" means a customer completes more than one transaction by the same channel in the same direction (either buy or sell) for the same stock at the same transaction day. The calculation of brokerage commission for the "Combined Transaction" is based on the accumulated trading amount.
9. If the Securities Account also fulfills the requirement(s) of other promotional offer(s) which is/are concurrently provided by the Bank, such account would only be entitled to the offer that is of the highest value.
10. For all records of services and transactions in the Promotion, the Bank's record shall prevail.

11. All rewards and privileges cannot be transferred, returned, redeemed for cash or exchanged for other products or rewards.
12. All offers and services are subject to their relevant terms and conditions. Please contact our staff for details.
13. No person other than the Customer and the Bank will have any right under the Contract (Rights of Third Parties) Ordinance (Cap. 623, the Laws of Hong Kong) to enforce or to enjoy the benefit of any term under these Terms and Conditions.
14. The Bank reserves the right to suspend and terminate the Promotion and amend the relevant terms and conditions at any time without prior notice.
15. In the event of a dispute arising out of this Promotion, the decision of the Bank shall be final and conclusive.
16. Telecommunication service providers may charge customers for the various kinds of mobile data services. The customers should refer to their telecommunications service providers for the details of the charging mechanisms.

You should carefully consider whether any investment product or service mentioned herein is appropriate for you in view of your personal circumstances and should seek independent professional advice if necessary.
- The prices of securities fluctuate, sometimes dramatically. The price of a security may move up or down, and may become valueless. It is as likely that losses will be incurred rather than profit made as a result of buying and selling securities.
- For product information details, please refer to the product materials or consult our staff.
- Investment Profile Analysis provided by the Bank is intended to help the customers to understand their risk tolerance level and investment needs. The

Bank accepts no responsibility or liability as to the accuracy or completeness of the information or recommendation given. Nothing in this Investment Profile Analysis or result shall constitute or be regarded as constituting a recommendation, offer or solicitation to buy or sell investment products.

- The Bank distributes the fund product for the fund houses and the fund product is a product of the fund houses but not that of the Bank. In respect of an eligible dispute (as defined in the Terms of Reference for the Financial Dispute Resolution Centre in relation to the Financial Dispute Resolution Scheme) arising between the Bank and the customer out of the selling process or processing of the related transaction, the Bank is required to enter into a Financial Dispute Resolution Scheme process with the customer; however any dispute over the contractual terms of the fund product should be resolved directly between the fund house and the customer.
- Bank of Communications (Hong Kong) Co., Ltd. (the "Bank") is a registered principal intermediary in providing MPF services. The relevant MPF scheme is a product of Bank of Communications Trustee Limited but not the Bank; and in respect of an eligible dispute (as defined in the Terms of Reference for the Financial Dispute Resolution Centre in relation to the Financial Dispute Resolution Scheme) arising between the Bank and the customer out of the selling process or processing of the related transaction, the Bank is required to enter into a Financial Dispute Resolution Scheme process with the customer; however any dispute over the contractual terms of the product should be resolved between directly Bank of Communications Trustee Limited and the customer.

Risk Disclosure Statements for Investment Products Involving Derivatives

- Currency Linked Deposit (including Deposit EXTRA) and Equity Linked Investment are structured investment products involving derivatives. Some Investment Funds may also involve derivatives. The investment decision is yours but you should not invest in the product unless the intermediary who sells it to you has explained to you that the product is suitable for you having regard to your financial situation, investment experience and investment objectives.
- Currency Linked Deposit (including Deposit EXTRA) is not principal protected and is not equivalent to and should not be treated as substitute for an ordinary time deposit; it is not protected deposit and is not protected by the Deposit Protection Scheme in Hong Kong.

Risk Disclosure Statements for Foreign Currency and RMB

- Foreign currency investments are subject to exchange rate fluctuations which may involve risks. The fluctuation in the exchange rate of foreign currency may make a gain or loss in the event that customer converts the foreign currency into Hong Kong dollar or other foreign currencies.
- Foreign currency rates of exchange may adversely affect the value, price or income of any security or related investment. Investors are urged to consider the tax consequences before making an investment and should seek tax advice based on their particular circumstances from an independent tax professional. This document does not purport to identify all the risks that may be involved in the related investments. Before making investment decision, investors should read and understand the offering documents of such products, including but not restricted on the risk disclosure statement and health warning.
- RMB is subject to exchange rate risk and is currently not freely convertible. Conversion of RMB or provision of RMB services through banks in Hong Kong is subject to relevant RMB policies, other restriction and regulatory requirements in Hong Kong. No prior notice will be given for any changes which may be made from time to time.
- RMB products are subject to the risk of exchange rate fluctuation. The fluctuation in the RMB exchange rate may result in profits or losses in the event that customer converts RMB into HKD or other foreign currencies.

Risk Disclosure Statements for Cross-boundary Wealth Management Connect Scheme

- WMC is a pilot scheme under the Regulatory Requirements on the WMC. The relevant laws and regulations are relatively new, and the Mainland Regulatory Authorities and Hong Kong Regulatory Authorities may give interpretations and make amendments in respect of the relevant provisions and operational requirements from time to time, which may incur policy and regulatory risks. Investment gains may be affected by such risks from time to time.
- RMB is currently not a freely convertible currency and is subject to foreign exchange controls and restrictions. If the Customer exchanges Renminbi in order to purchase Eligible Wealth Management Products which do not use RMB as the base currency, he/she will face exchange risks (including when buying, and exchanging Renminbi received in the Dedicated Remittance Account into Hong Kong dollars or other currencies after making an exit). There is no guarantee that RMB will not depreciate against other currencies. Changes in exchange rates may adversely affect the investment value of an Eligible Investor's Eligible Wealth Management Products. Although offshore RMB ('CNH') and onshore RMB ('CNY') are the same currency, CNH and CNY are traded at different exchange rates. Any exchange rate difference between CNH and CNY may adversely affect Eligible Investors. The remittance of funds from the Dedicated Remittance Account and the remittance of the redemption proceeds and the relevant investment gains from the Dedicated Investment Account back to the Dedicated Remittance Account and the returning of funds in excess back to the Dedicated Remittance Account as a result of exceeding the Individual Investor Quota or the Aggregate Quota shall only be made in RMB. (In relation to Southbound Scheme, during such processes, if the funds in the Customer's Dedicated Investment Account are denominated in currencies other than RMB, the Bank must convert such currencies to RMB before remitting such funds to the Dedicated Remittance Account.) The foreign exchange market is volatile, the exchange rate of currencies (including RMB) may rise or fall, and price fluctuations may cause substantial losses. All transactions shall be deemed to be concluded by the Customer based on his/her own judgment and consideration, and all risks shall be borne by the Customer.
- In relation to Northbound Scheme, as the Eligible Wealth Management Products under the Northbound Scheme are not investment products authorised by the SFC under Securities and Futures Ordinance (Cap. 571), the relevant offering documents have not been examined by the SFC and the Customer is advised to exercise caution in relation to such offer. The relevant laws and regulations that the Eligible Wealth Management Products are subject to are different from those for the products authorised by the SFC and the risks may also be different. The Mainland Partner Bank should properly conduct sales management, enhance investor suitability management, properly carry out investor risk tolerance assessment, conduct risk matching between investors' risk tolerance and the risks of the investment products and fulfil non-disclosure obligations in accordance with the requirements of the Mainland financial regulators. As the sales are carried out in accordance with the applicable laws and regulations on the Mainland, the Customer should understand the business rules and processes of trading in the investment product market on the Mainland prior to opening an account, set investment objectives based on his/her own risk appetite and assess his/her own risk tolerance objectively. The Mainland Partner Bank is not an authorised institution under Banking Ordinance (Cap. 155) and is not subject to the supervision of the HKMA, and the Mainland Partner Bank cannot carry on in Hong Kong any banking business or business of taking deposits. Deposits maintained with the Mainland Partner Bank are not protected by the Deposit Protection Scheme in Hong Kong. The transactions in the Dedicated Investment Account maintained with the Mainland Partner Bank are protected by the laws and regulations and the regulatory systems of the Mainland, which may be different from Securities and Futures Ordinance (Cap. 571) and the rules established thereunder. Therefore, the Customer's investment may not be entitled to the same protection granted to investments in Hong Kong. As the Customer's Dedicated Remittance Account will only be used to transfer funds to or receive funds from the Dedicated Investment Account to which such Dedicated Remittance Account is bound, and to receive investment returns arising from the Northbound Scheme investments, funds in the Dedicated Remittance Account of the Customer should only be used for purchasing Eligible Wealth Management Products or be remitted back to the Dedicated Remittance Account and will not be used for other purposes, the liquidity of the funds of the Customer will as a result be reduced significantly, the liquidity of the Customer's funds may therefore decrease significantly.
- In relation to Southbound Scheme, under the Regulatory Requirements on the Southbound Scheme, in general, transactions conducted by the Bank

will be carried out on an 'execution-only' basis, i.e. the Bank will not make any investment recommendation or solicitation. Therefore, the Customer must consider carefully whether the individual Eligible Wealth Management Product is suitable for him/her or not in light of his/her own financial situation and investment objectives. All transactions shall be deemed to be concluded by the Customer based on his/her own judgment and consideration, and all risks shall be borne by the Customer. As the Customer's Dedicated Investment Account will only be used to transfer funds to or receive funds from the Dedicated Remittance Account to which such Dedicated Investment Account is bound, and to receive investment returns arising from the Southbound Scheme investments, funds in the Dedicated Investment Account of the Customer should only be used for purchasing Eligible Wealth Management Products or be remitted back to the Dedicated Remittance Account and will not be used for other purposes. The Bank shall not transfer funds from the Dedicated Investment Account to other accounts (whether in Hong Kong or otherwise) for the Customer, allow the Customer to withdraw cash from the Dedicated Investment Account or use funds in the Dedicated Investment Account for purposes such as pledging such amounts or using such amounts as leverage or guarantee. The liquidity of the Customer's funds may therefore decrease significantly.

Risk Disclosure Statements for Precious Metals And Foreign Exchange Margin Trading

Investment involves risks. You should understand that because of the leverage nature of precious metals and foreign exchange margin trading, the risk of loss in leveraged precious metals and foreign currencies trading can be substantial. You may sustain losses in excess of your initial margin funds. Placing contingent orders, such as "stop-loss" or "stop-limit" orders, will not necessarily limit losses to the intended amounts. Market conditions may make it impossible to execute such orders. You may be called upon at short notice to deposit additional margin funds. If the required funds are not provided within the prescribed time, your position may be liquidated. If you cannot be contacted or if there is dramatic market fluctuation resulting in the cash margin being insufficient, your open positions may also be liquidated. You will remain liable for any resulting deficit in your account. You should therefore carefully consider whether such trading is suitable in light of your own financial position, investment horizon and investment objectives. You should undertake your own research and study and in particular the risk factors carefully and are advised to seek independent professional advice before making any investment decision. Precious metals and foreign currencies price may adversely affect the value, price or income of any product or related investment. Investors are urged to consider the tax consequences before making an investment and should seek tax advice based on their particular circumstances from an independent tax professional. You have no right to require any delivery or tender delivery of the precious metal in any physical form in Hong Kong or elsewhere under any precious metal margin trading contract. We will not have any duty or liability to appropriate, set aside and/or allot any precious metal in any physical form for or to you. If the Settlement Currency is not in your home currency, and you choose to convert it back to your home currency upon maturity, you may make a gain or loss due to exchange rate fluctuations. If you trade on an electronic trading system, you will be exposed to risks associated with the system including the failure of hardware and software, which could result in your order not being executed according to your instructions or at all. This document does not purport to identify all the risks that may be involved in the related investments. Before making investment decision, investors should read and understand the offering documents of such products, including but not restricted on the risk disclosure statement and health warning. RMB is subject to exchange rate risk and is currently not freely convertible.
